Easy Reference Product Guide:

Cushion Product Range

Type: F=Flat P=Postional
O=Omni or Bi Directional

LLL: Linear Load Limit

Sizes: S=Standard C=Custom O=Oversize

Standard sizes are 15"x16", 16"x16", 17"x17", 18"x16" and 18"x17". Standard oversize is 20"x18".

Weight Guide: Recommended weight for a 17"x17" cushion

Addition of a 1" crescent base increases the weight guide by approximately 30%.

For more weight information please refer to our website – www.qbitus.co.uk.
